

Dear dancers and dancers' parents:

A few reminders as we get ready to dance:

Pre -registration : Signing of the waiver for dance class participation and payment of registration fee for Ling Hui's review and placement in class is required before classes begin. This is so we can focus on dance during class. Please take care of these details and come ready to dance when school starts.

Pre-registration and personal consultation with Ling Hui must happen before attending any classes. NO DROP-INS unless by special arrangement.

The door of the dance school will be open 10 minutes before class begins for the day. Since our dance time is so precious, please remember to use the bathroom before class begins. We will have a short break for water and bathroom time during the class. Be sure to **bring your own water bottle** and take it with you when you leave. Water is the only beverage allowed in the school.

No gum, food or cell phone use is allowed in the school.
